

ULTRA SLIM POWER BANK

5000 MAH DUAL PORT USB CHARGER

ENGLISH

MANUAL (ENGLISH)

Charging your Power Bank

- Charge your power bank fully before first use
- Insert supplied micro USB cable into a wall charger or USB charging port
- Insert micro USB end of charging cable into micro USB slot located in between USB ports on power bank.
- Charge the power bank until all four LED indicators light up solid blue. LED lights will blink in progression while charging.

1. 25%
2. 50%
3. 75%
4. 100%

- Battery charging time should vary between 3-5 hours.

Do not charge longer than suggested time.

Do not charge power bank overnight.

Operating your Power Bank

1. Plug the USB end of your charging cable into one of the USB ports on the power bank. Both ports have a different amperage.

2. Plug the other end of your charging cable into your mobile device to begin charging. Charging times vary with devices.

ONE YEAR WARRANTY

Xtreme warrants its products for ONE YEAR against defects in manufacturing under regular consumer use with original receipt of retail purchase.

We believe in our products and want to provide you with a replacement, if needed, but we have to know about the problem while the product is still under warranty. If you discover a defect covered by this warranty, please contact us about receiving a replacement. In order to use the products warranty the customer must provide proof of the retailers receipt.

**Any customers outside of the U.S. will be responsible for shipping and handling charges if a replacement is required that is not due to a manufacturing defect.*

Xtreme's warranty is limited to our products only. Our warranty does not cover the replacement or repair cost of any third-party accessory, electronic device or personal property.

For instructions about how to obtain warranty service for your product, please contact Customer Service at **customerservice@xtremecables.com**
