ONE YEAR WARRANTY

Xtreme warrants its products for ONE YEAR against defects in manufacturing under regular consumer use with original receipt of retail purchase.

We believe in our products and want to provide you with a replacement if needed, only in which the product is still under warranty. If you discover a defect covered by this warranty, please contact us about receiving a replacement.

**Any customers outside of the U.S. will be responsible for shipping and handling charges if a replacement is required that is not due to a manufacturing defect. If there is not a manufacturing defect, shipping and handling will be applied.*

Xtreme's warranty is limited to our products only. Our warranty does not cover the replacement or repair cost of any third-party accessory, electronic device or personal property. For more details on what is not covered under warranty, please go to www.xtremecables.com/oneyearwarranty.aspx

For instructions about how to obtain warranty service for your product, please contact Customer Service at **customerservice@xtremecables.com**

SPECIFICATIONS:

Capacity: 3000mAh

Input: DC5V/ 1.0A

Output: DC5V/ 1.0A

THIS ITEM CONTAINS A NON-REPLACEABLE BATTERY. WHEN THE BATTERY IS DEPLETED, PLEASE FOLLOW YOUR LOCAL OR STATE GOVERNMENT'S GUIDELINES FOR DISPOSAL

CAUTION:

Use this only as intended.

To prevent fire or shock hazard, do not expose this unit to rain or moisture. Do not use within a meter of any water such as swimming pools, bathtubs, or sinks.

Do not expose the batteries to excessive heat such as sunshine.

To avoid electrical shock, do not disassemble. Refer servicing to qualified personnel only. Never insert objects of any kind, other than authorized item into the product as they may touch dangerous voltage points or short out parts that could result in fire or electrical shock.

Do not dispose of this product in fire. Refer to local country, state, and city guidelines for appropriate methods of battery disposal.

This product contains small parts that may cause choking if swallowed. Not intended for use by children under 3 years of age.

- "Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

- "NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help."
