

LED ACCENT LIGHT

CUSTOMIZE YOUR COLOR EXPERIENCE

855-999-8041 | www.XtremeCables.com

MANUAL (ENGLISH)

Remote Control

1. On/Off switch
2. White light (mixed color)
3. Flash (flashing function)
4. Strobe (slow fading out of a color)
5. Fade (slow fading out with color change)
6. Smooth (smooth color change)
7. Control panel for color selection (12 mixed colors)
8. RGB setting (red, green, blue)
9. Increase/decrease the intensity of color

Installation:

1. Clean the surface you intend to stick the light strip to.
2. Peel off the backing strip off the 3M adhesive tape.
3. Press and hold the light strip firmly against the surface.
4. Remove the tab from the battery compartment of the remote control.
5. Plug the DC Adapter into your car's 12V DC power socket.

Operation:

1. Press the power button located on the DC plug, the LED power indicator will illuminate indicating there is power to the LED Accent Light.
2. Turn on the LED Accent Light by pushing the ON button on the remote control.
3. Select the desired color or the desired effect and push the corresponding button on the remote control.
4. Set the desired color brightness using the buttons to increase/decrease the intensity of color.
5. Push the OFF button to run off the LED Accent Light.

Changing the remote control battery

The battery for the remote control has already been installed. Remove the battery pull tab to operate.

1. The battery compartment is located on the narrow side of the remote control.
2. Remove the empty battery and insert a 3V battery, type CR2025. The positive terminal must point upwards.
3. Place the battery compartment back in the remote control so it locks in place.

Technical data:

Voltage supply:

LED strips (USB)	5V
Remote Control	3V (1 x 3V battery, type CR2025)

Output: 2.5W

ONE YEAR WARRANTY

Xtreme warrants its products for ONE YEAR against defects in manufacturing under regular consumer use with original receipt of retail purchase.

We believe in our products and want to provide you with a replacement, if needed, but we have to know about the problem while the product is still under warranty. If you discover a defect covered by this warranty, please contact us about receiving a replacement. In order to use the products warranty the customer must provide proof of the retailers receipt.

**Any customers outside of the U.S. will be responsible for shipping and handling charges if a replacement is required that is not due to a manufacturing defect. If there is not a manufacturing defect, shipping and handling will be applied.*

Xtreme's warranty is limited to our products only. Our warranty does not cover the replacement or repair cost of any third-party accessory, electronic device or personal property.

For instructions about how to obtain warranty service for your product, please contact Customer Service at **customerservice@xtremecables.com**
