MANUAL (ENGLISH)

Product Introduction

This dual device wireless charger has been optimized for iPhone 8, iPhone 8 Plus, iPhone X, Samsung Galaxy S9, Galaxy S9 Plus, and Galaxy Note 8, or higher. It is also compatible with all other Qi enable devices. For optimal dual charging performance, a 3.1 Amp rated USB wall charger is recommended.

Instructions

Step 1: Plug the Type-C USB cable into the back of the wireless charger. Plug the other end of the USB cable into a 3.1 Amp Rated USB charger (not included) and plug into wall outlet.

Step 2: Place your Qi enable device directly above the two charging areas illustrated below. Charging areas are located on opposite sides of the wireless charger. Placing your device on the center of the wireless charger will not allow it to charge.

Smart LED Charging Indicator:

- RED: Charging
- GREEN: Fully charged

LED Power Indicator:

- BLUE: Powered and ready to charge
- OFF: No power

Note: Charging two devices at the same time may require longer charge time.

ONE YEAR WARRANTY

Xtreme warrants its products for ONE YEAR against defects in manufacturing under regular consumer use with original receipt of retail purchase.

We believe in our products and want to provide you with a replacement, if needed, but we have to know about the problem while the product is still under warranty. If you discover a defect covered by this warranty, please contact us about receiving a replacement. In order to use the products warranty the customer must provide proof of the retailers receipt.

**Any customers outside of the U.S. will be responsible for shipping and handling charges if a replacement is required that is not due to a manufacturing defect.*

Xtreme's warranty is limited to our products only. Our warranty does not cover the replacement or repair cost of any third-party accessory, electronic device or personal property.

For instructions about how to obtain warranty service for your product, please contact Customer Service at **customerservice@xtremecables.com**
