FUNCTIONS, PORTS, AND INDICATORS

(1) POWER ON/OFF/MULTIFUNCTION (M) BUTTON

1. Hold the power button (1) about 3 to 5 seconds until you hear the power on confirmation tones. Hold the power button for about 3 seconds to turn the speaker off.
2. During music playback, short press the multifunction button to pause play and press again to restart play.

(2) VOLUME UP/NEXT TRACK

In music playing mode, short press the button to change to the next song, long press the button for increasing the volume.

(3) VOLUME DOWN/PREVIOUS TRACK

In music playing mode, short press the button to change to the previous song, long press the button for decreasing the volume.

(4) LED Indicator

The red light means charging, after charging successfully, the indicator will be off.

(5) Micro USB Charging Slot

Charge the speaker by USB charging cable.

PAIRING YOUR SPEAKER

When your speaker is on, press the multifunction button for 2 seconds, and select the Bluetooth® function on the phone, or device, that you want to pair. Select HELIO from the list of available Bluetooth devices to pair and connect.

HANDS FREE FUNCTION

In Bluetooth mode, a short press of the multifunction button will answer the call and a second press will hang up the call. A double press will reject a call, or redial the last call's number.

CHARGING YOUR SPEAKER

The HELIO comes with a built-in rechargeable battery. Before using the speaker for the first time, we recommend you charge the battery fully. Be sure to turn off the speaker before charging. Use the supplied micro USB cable to charge the speaker. Connect the included micro USB cable to a 5V USB power supply (not included) and the micro USB end into the speaker. The LED light will illuminate red when the speaker is charging. The LED light will turn off once speaker is fully charged, at which point the speaker will be ready for use. When the battery is low, a warning sound will prompt. When this occurs, please charge your speaker.

SECOND SPEAKER STEREO OPTION (Not Included)

1. Ensure both speakers are turned off before pairing.
2. Ensure the speakers are not connected to any device before pairing.
3. Turn both speakers on simultaneously.
4. Press the Multifunction button for 2 seconds to pair to each other. After the initial setup, these 2 speakers will pair automatically.
5. On the Bluetooth enabled device, search for the name HELIO from the list of available Bluetooth devices. Once paired you can play two speakers together in True Wireless Stereo.

CAUTIONS: The product is equipped with a rechargeable lithium ion battery. This type of battery is potentially hazardous if damaged, defective or improperly used. Do not remove the battery; and do not use for anything other than its intended purpose. Disconnect the USB cable once the product is fully charged. Do not expose to heat sources or leave in a location that is likely to get excessively hot. Use in a dry and well-ventilated location. Do not let the product get wet. Do not disassemble. Do not place heavy objects on the product. Do not put lithium ion battery product in the trash. Take them to a recycling location or contact your locality for guidance. Do not use abrasive cleaning solvents to clean the unit. This is not a toy and is not intended to be used by small children.

NOTE: Bluetooth performance can be affected by the environment or when the product become discharged. Interruption can be caused by obstacles between the product and the Bluetooth device, by Wi-Fi or other high frequency signals, or if the product are brought out of range of the Bluetooth device. Charge fully before storing for a long period.

DISCLAIMER: Specifications and operation subject to change without prior notice. Some content may differ from how the product works with your specific device.

FCC STATEMENT

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate and increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ONE YEAR WARRANTY

Xtreme warrants its products for ONE YEAR against defects in manufacturing under regular consumer use with original receipt of retail purchase.

We believe in our products and want to provide you with a replacement, if needed, but we have to know about the problem while the product is still under warranty. If you discover a defect covered by this warranty, please contact us about receiving a replacement. In order to use the products warranty the customer must provide proof of the retailers receipt.

**Any customers outside of the U.S. will be responsible for shipping and handling charges if a replacement is required that is not due to a manufacturing defect. If there is not a manufacturing defect, shipping and handling will be applied.*

Xtreme's warranty is limited to our products only. Our warranty does not cover the replacement or repair cost of any third-party accessory, electronic device or personal property.

For instructions about how to obtain warranty service for your product, please contact Customer Service at customerservice@xtremecables.com
